

St. Vincent Need's Your Assistance

The amount of homeless have more than doubled and they are in great need.

This change is due to the Shelter in Springfield closing it's doors.

They desperately need wash clothes, towels, coats, gloves, socks, and pampers.

If you choose to support I will be happy to pick up your items up at Post home

Other arrangements can be made if you are unable to meet at the Post

This will be an ongoing project so, please support. These items can be new or used. Consider going to the Thrift Store or Goodwill.

Feel free to contact the names below for additional information.
